EDUCATION

BS Software Engineering

COMSATS University Islamabad, Abbottabad Campus | 2023–2027

SKILLS

Languages: JavaScript, TypeScript, Java, SQL

Frameworks: Next.js, React.js, Node.js, Express, Tailwind

Databases: MongoDB, MySQL, Firebase

Tools: Git, GitHub, Postman, Figma

Soft Skills: Problem-Solving, Communication, Team Collaboration

EXPERIENCE

Web Development Intern — Codematics Inc. | Jun 2025 – Aug 2025

- Built responsive and dynamic web interfaces using Next.js and React.

- Integrated APIs and improved UI performance across devices.

- Worked on full-stack tasks involving database operations, debugging, and deployments.

- Contributed to real-world project modules and collaborated with senior developers.

PROJECTS

University Portal (Next.js)

- Full-stack role-based portal with authentication, dashboards, course and announcement modules.

- Implemented secure login, dynamic routing, database integration, and responsive UI.

Clothing E-Commerce Website (Next.js)

- Built product catalog, filters, cart, and checkout system with API-driven backend.

- Designed reusable components and optimized performance for mobile users.

Microservices Architecture Demo (Spring Boot)

- Developed User & Order services using REST APIs, H2 DB, and Spring Data JPA.

- Enabled inter-service communication and modular system design.

Garment Customization System (Java, OOP)

- Implemented customization flows using OOP principles (aggregation, composition, association).

- Built modules for style selection, pricing logic, and data validation.

CERTIFICATION

Web Development Internship Certification — Codematics Inc. (2025)
